

Bi-Weekly Payroll Checklist for Time and Leave

College/Dept/Org: _____ Pay Period: _____

A. [Pre-Payroll Processing and Validation](#)

B. Post Payroll Verification (signoff required)

1. Verify all payments are accurate and appropriate
 - Verify correct amounts were paid using *PAY364* and other supporting reports/documentation; attention should be placed on actions that changed pay including job data changes, new hires, terminations, and additional pay, use the *HRB310 (Job Data Activity Report)* and the *HRB160 (Additional Pay Activity Report)*
 - Verify Payroll Certifications using *PAY364* for any time entered directly into PeopleSoft; use *HRB760 (Compare Approved to Payable Time – Discrepancies Only)* to identify time that needs certified
2. Verify leave for accuracy and compliance
 - Verify details for leave entered directly into PeopleSoft, i.e. leave adjustments (i.e. prior state service) or payouts using *HRB755 (Compare Approved to Payable Leave Discrepancies Only)*
 - Verify FML eligibility
3. Review Acknowledgements
 - Verify Acknowledgments were confirmed by employees using *HRB760 (Acknowledgments pivot)* and *HRB755 (Acknowledgments pivot)*
4. Reconcile Payroll to General Ledger
 - Verify correct amounts were posted to the General Ledger using the HR/GL Reconciliation Reports *HRB110 – HRB140*
